

PUSH BROOM

This incredible broom will amaze you! Clean up job sites, push light snow, sweep leaves, squeegee water, or groom ball fields. Add our heavy duty magnet for picking up screws, nails, and other steel debris. The Standard Duty comes with 8 rows of bristles and the Heavy Duty has 11 rows. Both models are available in 60", 72", or 96" widths.

FEATURES INCLUDE

- Safe around people and animals
- Less dust than a rotary broom
- Does not require auxiliary power
- Also available to fit fork lifts or mini skid steers
- Moves anything from dust to small rocks
- Maintenance free
- 1-year warranty
