

SNOW & MULCH BUCKET HIGH BACK

Our high back snow and mulch bucket allows you to move more bulky material in one scoop. Great for mulch, salt, grain, snow, or sawdust. A bolt-on edge is an option worth considering if you run on concrete or asphalt.

FEATURES INCLUDE

- 32" high back
- 38" deep front to back
- Reinforced back and floor
- Pre-drilled for bolt-on edge option
- Available in 3/16" wrap, 3/8" edge

38"D X 32"H
